AMP AHEAD: Shaping
the Next Era of CLTI Care

2025 AMP SPONSORSHIP PROSPECTUS

The Amputation Prevention Symposium (AMP), now in its 15th year, is the leading meeting dedicated to the treatment and prevention of critical limb ischemia (CLI). This 4-day event will revolutionize the way physicians approach CLI and related problems that could otherwise result in limb loss.

AMP draws more than 800 specialists from around the globe, including vascular surgeons, general surgeons, cardiologists, interventional cardiologists, general medicine/primary care physicians, interventional radiologists, podiatrists, wound care specialists, nurses, vascular technologists, and cardiac catheterization laboratory team members.

We offer numerous opportunities for exhibitors and sponsors to market and showcase their products and services to key decision makers in the CLI field with premium and high-traffic advertising locations, including:

- Meals and breaks designed to bring attendees into the Exhibit Hall
- Thursday evening reception in the Exhibit Hall, with complimentary food and beverages
- An opportunity for attendees to win prizes by interacting with exhibitors

We encourage you to team up with us at AMP for this great networking opportunity!

CONFERENCE TERMS AND CONDITIONS

This form indicates the policies and regulations set forth as part of the contract for the conference referenced in this contract with Amputation Prevention Symposium (AMP), part of HMP Education. AMP reserves the sole right to render all interpretations, to amend and enforce these policies and regulations, and to establish any and all further regulations not specifically covered below to assure the general success and well-being of the conference. AMP reserves the right to decline, prohibit, and/or deny any exhibit or sponsorship that in its sole judgment is contrary to the character, objectives, and best interests of the conference or unsuitable for its attendee audience.

1. EXHIBITOR'S INFORMATION KIT: A complete Exhibitor's Information Kit containing all the necessary order forms for drayage, electrical service, furniture rental, carpeting, cleaning, etc., will be sent via email to each exhibitor after confirmation of space assignments. The official decorating company of the Event will also provide instructions within the Kit so forms may be processed online.

2. GENERAL EXHIBIT INFORMATION: All exhibits must be set up by the time and date in the conference Exhibitor Information Kit. The exhibits officially close at the time and date in the Exhibitor Information Kit. No exhibitors may dismantle exhibits until the official closing time. AMP reserves the right to assign booth space.

3. EXHIBITOR SERVICES: The official decorating and drayage company of the Event will provide and distribute an Exhibitor Information Kit containing literature and rates for all services and equipment. All furnishings and special requirements should be ordered through that decorating company.

4. DISPLAY RULES AND REGULATIONS: AMP follows the IAEE Guidelines for Display Rules and Regulations: hmpglobal.com/meetings/IAEEGuidelines.pdf

5. EXHIBIT COORDINATOR: The Exhibitor Information Kit will provide an exhibitor contact. For identified events, the official decorating company will direct and manage all of the following services and will have a service desk in operation at the time of installation and dismantle: Exhibitor's Information Kit distribution, furnishings, labor, rent or exhibit displays, signage, material handling services, and transportation services.

6. PHOTOGRAPHY IN THE EXHIBIT HALL: The use of cameras (including but not limited to cellular phones, film, digital, video taking or image or sound capturing) or audio taping equipment is prohibited anywhere during the conference without prior permission from AMP.

7. SUBLETTING OF SPACE: The exhibitor agrees that the display will be confined to the area of space reserved and that subletting or showing products other than those manufactured or represented by the exhibitor is strictly prohibited.

8. ARRANGEMENT OF EXHIBITS: The exhibitor agrees to manage their exhibits so as not to obstruct or interfere in any way with the general view, the view of the exhibits of other exhibitors, or the free passage of spectators. The decision of AMP as to what constitutes such obstruction or interferences will be final.

9. CARE OF SPACE: The exhibitor agrees not to deface, injure, or mar the exhibition hall of the venue, any of the furniture or fixtures contained therein, and/or any of the property of whatever nature placed therein. The exhibitor will be liable to AMP and/or the venue for any damage resulting to such exhibition hall, furniture, and fixtures contained therein, and/or such property placed therein by AMP, which will occur by reason of the commission or omissions of any exhibitor and/or its agents, servants, or employees. The exhibitor will defend and hold harmless AMP from all claims and suits against AMP arising from the aforesaid commissions or omissions of the exhibitor, their agents, servants, or employees. All material used by exhibitors must conform to the requirements of the Fire Department of the city in which the venue is located.

10. INSURANCE: AMP assumes no responsibility for the safety of the personnel and property of exhibitors or the personal property of their officers, agents, servants, or employees. Any exhibitor wishing to insure his/her personnel or goods against injury, theft, damage by fire, accident, or other cause must do so at his/her own expense.

11. SECURITY: AMP and the venue are not responsible for loss of or damage to exhibitor property. Exhibitors will be required to display proper credentials to gain access to the exhibit floor.

12. LIABILITY: AMP will not be liable for any damages in the event that performance of this contract is rendered impossible for any of the following causes: destruction of the exhibit hall or any substantial portion thereof by fire, earthquake, the elements, a public enemy, strikes or other public disorder, impossibility of performance created by lay or any public authority, and/or for any cause beyond its control or the control of the venue.

13. CHILDREN: Under no circumstances will children under the age of 18 be allowed in the exhibit hall during installation or dismantle. For reasons of insurance, children are not permitted on the show floor. Because of limited seating capacity and the highly technical nature of the programs, children under the age of 18 are not invited to attend presentations.

14. SHIPPING INSTRUCTIONS: Please ship early and prepay all transportation charges. Collect shipments will not be accepted and all shipments should be labeled with a return address. Additional shipping instructions and labels will be provided in the Exhibitor's Information Kit. All shipments should be packed securely and fully prepaid. Bills of lading should be forwarded to the drayage agent when shipment is made. Each exhibitor agrees to ship his/her materials at the company's own risk and expense.

15. CONDUCT OF EXHIBITS: Canvassing or distributing of promotional materials outside the exhibitor's own booth will not be permitted. AMP reserves the right to monitor and reduce any exhibitor sound system so that it does not interfere with the show and/or other exhibitors. Exhibitors may not serve or dispense food or beverages of any type from their booths or in the exhibit area without the consent of AMP. No part of the display including products is permitted outside the exhibit space. Products and furnishings should be arranged with the safety of the exhibitors and attendees in mind. Each exhibitor must make provision for the safeguarding of their goods, materials, equipment, and display at all times, and exhibitor will indemnify and hold AMP and the venue harmless against all such claims arising out of exhibitor's goods, materials, equipment, and display. All of the exhibitor's property should be deemed to remain under the exhibitor's custody and control in storage, in transit to or from, or within the confines of AMP or its service contractor.

16. UTILITIES AND SERVICES: Rates and data for electrical power, telephone connections, and internet will be provided in the Exhibitor's Information Kit.

17. BOOTH RELOCATION: AMP reserves the right to rearrange the floor plan at any time. AMP reserves the right to relocate exhibitors should it become necessary for causes beyond the control of AMP, or advisable in the best judgment of AMP. After assignment of space, the exhibitor agrees to accept relocation to other comparable space if AMP deems such a relocation to be necessary or appropriate.

18. CANCELLATION POLICY BY EXHIBITOR: Any cancellation of or reduction in space must be communicated to AMP in writing. Cancellation of or reduction in space in no way relieves Company of its financial obligations as outlined herein. A full one hundred percent (100%) of the total Contract amount will be due for any cancellations received less than six months before the date of the Event as outlined herein. Management may, at its sole discretion, reassign any cancelled space.

19. CANCELLATION BY THE EVENT ORGANIZER: In the event that AMP be cancelled by HMP Education, AMP will refund the exhibit booth fee(s), including deposit(s), previously paid by Exhibitor, minus any expenses already incurred by AMP. Exhibitor may choose to transfer any remaining balance of fees (after incurred expenses by AMP have been deducted from previously paid fees) to a future live or virtual event, or toward print or digital products. AMP shall be under no liability to the Exhibitor or any other person in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever which may be brought against or suffered or incurred by the Exhibitor as the result thereof.

20. CHANGES BY THE EVENT ORGANIZER: In the event that AMP is postponed or converted to a virtual event by AMP, AMP will transfer all previously paid fees to the new event (live or virtual). Should Sponsor be unable to participate in the postponed or virtual event, previously paid fees will be transferred to a future event, or toward print or digital products. AMP shall be under no liability to the Sponsor or any other person or company in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever which may be brought against or suffered or incurred by the Sponsor as the result thereof. If the meeting remains in person, but a virtual component is added in by AMP (ie, Hybrid Event), the refund and transfer policy stated in this clause is not applicable. If the event has not been cancelled in its entirety, a fully executed agreement cannot be cancelled within 90 days of the event.

21. CANCELLATION POLICY: Any cancellation of or reduction in space must be communicated to AMP in writing. Cancellation of or reduction in space in no way relieves Company of its financial obligations as outlined herein. A full one hundred percent (100%) of the total Contract amount will be due for any cancellations received less than six months before the date of the Event as outlined herein. Management may, at its sole discretion, reassign any cancelled space.

22. PAYMENT: If AMP has not received payment in full before the date of the Event, Company may be refused the opportunity to participate until its financial obligation is satisfied.

25. All sponsorships, promotional activities, and advertising targeting the event audience must be arranged exclusively through HMP Global. Any violation of this restriction will be considered a breach of contract and may result in immediate termination of the sponsorship agreement and forfeiture of all sponsorship fees. Furthermore, any breach of this provision will result in the loss of priority points for booth and sponsorship selections for the following year's event.
