Please note that by submitting this form, you agree that your use of this space is subject to the conditions and terms provided, which upon acceptance by Western AFib will become a binding contract between you, as the exhibitor, and Western AFib.

This form indicates the policies and regulations set forth as part of the contract for the conference referenced in this contract, part of HMP Education. Conference Management reserves the sole right to render all interpretations, to amend and enforce these policies and regulations, and to establish any and all further regulations not specifically covered below to assure the general success and well-being of the conference. Conference management reserves the right to decline, prohibit, and/or deny any exhibit or sponsorship that in its sole judgment is contrary to the character, objectives, and best interests of the conference or suitable for its attendee audience.

1. Exhibitor's Information Kit A complete Exhibitor's Information Kit containing all the necessary order forms for drayage, electrical service, furniture rental, carpeting, cleaning, etc., will be sent via email to each exhibitor after confirmation of space assignments. The official decorating company of the Event will also provide instructions within the Kit so forms may be processed online.

2. General Exhibit Information All exhibits must be set up by the time and date in the conference Exhibitor Information Kit. The exhibits officially close at the time and date in the Exhibitor Information Kit. No exhibitors may dismantle exhibits until the official closing time. Conference management reserves the right to assign booth space.

3. Exhibitor Services The official decorating and drayage company of the Event will provide and distribute an Exhibitor Information Kit containing literature and rates for all services and equipment. All furnishings and special requirements should be ordered through that decorating company.

4. Display Rules and Regulations The conference follows the [IAEE Guidelines for Display Rules and Regulations](#).

5. Exhibit Coordinator The Exhibitor Information Kit will provide an exhibitor contact. For identified events, the official decorating company will direct and manage all of the following services and will have a service desk in operation at the time of installation and dismantle: Exhibitor's Information Kit distribution, furnishings, labor, rent or exhibit displays, signage, material handling services, and transportation services.

6. Photography in the Exhibit Hall The use of cameras (including but not limited to cell phones, film, digital, video taking, or image or sound capturing) or audio taping equipment is prohibited anywhere during the conference without prior permission from the conference.

7. Subletting of Space The exhibitor agrees that the display will be confined to the area of space reserved and that subletting or showing products other than those manufactured or represented by the exhibitor is strictly prohibited.

8. Arrangement of Exhibits The exhibitor agrees to manage his/her exhibits so as not to obstruct or interfere in any way with the general view, the view of the exhibits of other exhibitors, or the free passage of spectators. The decision of the conference as to what constitutes such obstruction or interferences will be final.

9. Care of Space The exhibitor agrees not to deface, injure, or mar the exhibition hall of the venue, any of the furniture or fixtures contained therein, and/or any of the property of whatever nature placed therein. The exhibitor will be liable to the conference and/or the venue for any damage resulting to such exhibition hall, furniture, and fixtures contained therein, and/or such property placed therein by the conference, which will occur by reason of the commission or omissions of any exhibitor and/or its agents, servants, or employees. The exhibitor will defend and hold harmless the conference from all claims and suits against the conference arising from the aforesaid commissions or omissions of the exhibitor, their agents, servants, or employees. All material used by exhibitors must conform to the requirements of the Fire Department of the city in which the venue is located.

10. Insurance The conference assumes no responsibility for the safety of the personnel and property of exhibitors or the personal property of their officers, agents, servants, or employees. Any exhibitor wishing to insure his/her personnel or goods against injury, theft, damage by fire, accident, or other cause must do so at his/her own expense.

11. Security The conference and the venue are not responsible for loss of or damage to exhibitor property. Exhibitors will be required to display proper credentials to gain access to the exhibit floor.

12. Liability The conference will not be liable for any damages in the event that performance of this contract is rendered impossible for any of the following causes: destruction of the Exhibit Hall or any substantial portion thereof by fire, earthquake, the elements, a public enemy, strikes or other public disorder, impossibility of performance created by lay or any public authority, and/or for any cause beyond its control or the control of the venue.

13. Children Under no circumstances will children under the age of 18 be allowed in the Exhibit Hall during installation or dismantling. For reasons of insurance children are not permitted on the show floor. Because of limited seating capacity and the highly technical nature of the programs, children under the age of 18 are not invited to attend presentations.

14. Shipping Instructions Please ship early and prepay all transportation charges. Collect shipments will not be accepted. All shipments should be labeled with return address. Additional shipping instructions and labels will be provided in the Exhibitor's Information Kit. All shipments should be packed securely and fully prepaid. Bills of lading should be forwarded to the drayage agent when shipment is made. Each exhibitor agrees to ship their materials at the company's own risk and expense.

15. Conduct of Exhibits Canvassing or distributing of promotional materials outside the exhibitor's own booth will not be permitted. Conference management reserves the right to monitor and reduce any exhibitor sound system so that it does not interfere with the show and/or other exhibitors. Exhibitors may not serve or dispense food or beverages of any type from their booths or in the exhibit area without the consent of the conference. No part of the display, including products, is permitted outside the exhibit space. Products and furnishings should be arranged with the safety of the exhibitors and attendees in mind. Each exhibitor must make provisions for the safeguarding of his/her goods, materials, equipment, and display at all times, and the exhibitor will indemnify and hold the Conference and the venue harmless against all such claims arising out of Exhibitor's goods, materials, equipment, and display. All of the exhibitor's property should be deemed to remain under the exhibitor's custody and control in storage, in transit to or from, or within the confines of the conference or its service contractor.

16. Utilities and Services Rates and data for electrical power, telephone connections, and internet will be provided in the Exhibitor's Information Kit.

17. Booth Relocation Conference management reserves the right to rearrange the floor plan at any time. Conference management reserves the right to relocate exhibitors should it become necessary for causes beyond the control of the conference, or advisable in the best judgment of the conference. After assignment of space, exhibitor agrees to accept relocation to other comparable space if the conference deems such a relocation to be necessary or appropriate.

18. Cancellation by Exhibitor Any cancellation of or reduction in space must be communicated to the conference in writing. Cancellation of or reduction in space in no way relieves Company of its financial obligations as outlined herein. A full one hundred percent (100%) of the total Contract amount will be due for any cancellations received less than six months before the date of the Event as outlined herein. Management may, at its sole discretion, reassign any cancelled space.

19. Cancellation by the Event Organizer In the event that the conference be cancelled by the conference, the conference will refund the exhibit booth fee(s), including deposit(s), previously paid by Exhibitor, minus any expenses already incurred by the conference. Exhibitor may choose to transfer any remaining balance of fees (after incurred expenses by the conference have been deducted from previously paid fees) to a future live or virtual event, or toward print or digital products. The conference shall be under no liability to the Exhibitor or any other person in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs or expenses whatsoever which may be brought against or suffered or incurred by the Exhibitor as the result thereof.

20. Changes by the Event Organizer In the event that the conference is postponed or converted to a virtual event by the conference, the conference will transfer all previously paid fees to the new event (live or virtual). Should Sponsor be unable to participate in the postponed or virtual event, previously paid fees will be transferred to a future event or toward print or digital products. The conference shall be under no liability to the Sponsor or any other person or company in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever which may be brought against or suffered or incurred by the Sponsor as the result thereof. If the meeting remains in person, but a virtual component is added by the conference (creating a hybrid event), the refund and transfer policy stated in this clause is not applicable. If the event has not been cancelled in its entirety, a fully executed agreement cannot be cancelled within 90 days of the event.

21. Payment If the conference has not received payment in full before the date of the Event, Company may be refused the opportunity to participate until its financial obligation is satisfied.
