BEWARE OF UNAUTHORIZED HOTEL SOLICITATIONS

Scammers may call or email CIO attendees, faculty, and exhibitors, claiming to represent CIO vendors, and encourage participants to book rooms, using fake promotion companies with names like "Exhibitor Housing Services" or "Convention Hotel Services." They may know a lot about the meeting and may even alter the caller ID to make it look like CIO is calling. Those targeted by these scammers are told housing is filling up or almost sold out and rooms should be booked with them immediately. CIO, HMP Omnimedia, and our host hotel will never call you to solicit hotel reservations. Any legitimate message to attendees will direct you to the conference's Travel & Hotel Information page, where participants will use secure links to our approved hotel block. Please note that rooms booked through any other source are at your own risk.

If you receive emails or calls regarding discounted hotel accommodations for CIO, please disregard these offers and forward the information to kmclaughlin@hmpglobal.com so we can investigate and help prevent further solicitations.

CONFERENCE TERMS AND CONDITIONS

This form indicates the policies and regulations set forth as part of the contract for the conference referenced in this contract with Symposium on Clinical Interventional Oncology (CIO), part of HMP Education. CIO reserves the sole right to render all interpretations, to amend and enforce these policies and regulations, and to establish any and all further regulations not specifically covered below to assure the general success and well-being of the conference. CIO reserves the right to decline, prohibit, and/or deny any exhibit or sponsorship that in its sole judgment is contrary to the character, objectives, and best interests of the conference or suitable for its attendee audience.

1. EXHIBITOR'S INFORMATION KIT: A complete Exhibitor's Information Kit containing all the necessary order forms for drayage, electrical service, furniture rental, carpeting, cleaning, etc., will be sent via email to each exhibitor after confirmation of space assignments. The official decorating company of the Event will also provide instructions within the Kit so forms may be processed online.

2. GENERAL EXHIBIT INFORMATION: All exhibits must be set up by the time and date in the conference Exhibitor Information Kit. The exhibits officially close at the time and date in the Exhibitor Information Kit. No exhibitors may dismantle exhibits until the official closing time. CIO reserves the right to assign booth space.

3. EXHIBITOR SERVICES: The official decorating and drayage company of the Event will provide and distribute an Exhibitor Information Kit containing literature and rates for all services and equipment. All furnishings and special requirements should be ordered through that decorating company.

4. DISPLAY RULES AND REGULATIONS: CIO follows the IAEE Guidelines for Display Rules and Regulations: hmpglobal.com/meetings/IAEEGuidelines.pdf

5. EXHIBIT COORDINATOR: The Exhibitor Information Kit will provide an exhibitor contact. For identified events, the official decorating company will direct and manage all of the following services and will have a service desk in operation at the time of installation and dismantle: Exhibitor's Information Kit distribution, furnishings, labor, rent or exhibit displays, signage, material handling services, and transportation services.

6. PHOTOGRAPHY IN THE EXHIBIT HALL: The use of cameras (including but not limited to cellular phones, film, digital, video taking, or image or sound capturing) or audio taping equipment is prohibited anywhere during the conference without prior permission from CIO.

7. SUBLETTING OF SPACE: The exhibitor agrees that the display will be confined to the area of space reserved and that subletting or showing products other than those manufactured or represented by the exhibitor is strictly prohibited.

8. ARRANGEMENT OF EXHIBITS: The exhibitor agrees to manage his/her exhibits so as not to obstruct or interfere in any way with the general view, the view of the exhibits of other exhibitors, or the free passage of spectators. The decision of CIO as to what constitutes such obstruction or interferences will be final.

9. CARE OF SPACE: The exhibitor agrees not to deface, injure, or mar the exhibition hall of the venue, any of the furniture or fixtures contained therein, and/or any of the property of whatever nature placed therein. The exhibitor will be liable to CIO and/or the venue for any damage resulting to such exhibition hall, furniture and fixtures contained therein, and/or such property placed therein by CIO, which will occur by reason of the commission or omissions of any exhibitor and/or its agents, servants, or employees. The exhibitor will defend and hold harmless CIO from all claims and suits against CIO arising from the aforesaid commissions or omissions of the exhibitor, their agents, servants, or employees. All material used by exhibitors must conform to the requirements of the Fire Department of the city in which the venue is located.

10. INSURANCE: CIO assumes no responsibility for the safety of the personnel and property of exhibitors or the personal property of their officers, agents, servants, or employees. Any exhibitor wishing to insure his/her personnel or goods against injury, theft, damage by fire, accident, or other cause must do so at his/her own expense.

11. SECURITY: CIO and the venue are not responsible for loss of or damage to exhibitor property. Exhibitors will be required to display proper credentials to gain access to the exhibit floor.

12. LIABILITY: CIO will not be liable for any damages in the event that performance of this contract is rendered impossible for any of the following causes: destruction of the exhibit hall or any substantial portion thereof by fire, earthquake, the elements, a public enemy, strikes or other public disorder, impossibility of performance created by lay or any public authority, and/or for any cause beyond its control or the control of the venue.

13. CHILDREN: Under no circumstances will children under the age of 18 be allowed in the exhibit hall during installation or dismantle. For reasons of insurance, children are not permitted on the show floor. Because of limited seating capacity and the highly technical nature of the programs, children under the age of 18 are not invited to attend presentations.

14. SHIPPING INSTRUCTIONS: Please ship early and prepay all transportation charges. Collect shipments will not be accepted and all shipments should be labeled with return address. Additional shipping instructions and labels will be provided in the Exhibitor's Information Kit. All shipments should be packed securely and fully prepaid. Bills of lading should be forwarded to the drayage agent when shipment is made. Each exhibitor agrees to ship his/her materials at the company's own risk and expense.

15. CONDUCT OF EXHIBITS: Canvassing or distributing of promotional materials outside the exhibitor's own booth will not be permitted. CIO reserves the right to monitor and reduce any exhibitor sound system so that it does not interfere with the show and/or other exhibitors. Exhibitors may not serve or dispense food or beverages of any type from their booths or in the exhibit area without the consent of CIO. No part of the display including products is permitted outside the exhibit space. Products and furnishings should be arranged with the safety of the exhibitors and attendees in mind. Each exhibitor must make provision for the safeguarding of their goods, materials, equipment, and display at all times, and the exhibitor will indemnify and hold the conference and the venue harmless against all such claims arising out of Exhibitor's goods, materials, equipment and display. All of the exhibitor's property should be deemed to remain under the exhibitor's custody and control in storage, in transit to or from, or within the confines of CIO or its service contractor.

16. UTILITIES AND SERVICES: Rates and data for electrical power, telephone connections, and internet will be provided in the Exhibitor's Information Kit.

17. BOOTH RELOCATION: CIO reserves the right to rearrange the floor plan at any time. CIO reserves the right to relocate exhibitors should it become necessary for causes beyond the control of CIO, or advisable in the best judgment of CIO. After assignment of space, exhibitor agrees to accept relocation to other comparable space if CIO deems such a relocation to be necessary or appropriate.

18. CANCELLATION BY EXHIBITOR: Any cancellation or reduction in space must be communicated to CIO in writing. Cancellation or reduction in space in no way relieves Company of its financial obligations as outlined herein. A full one hundred percent (100%) of the total Contract amount will be due for any cancellations received less than 6 months before the date of the Event as outlined herein. Management may, at its sole discretion, reassign any cancelled space.

19. CANCELLATION BY THE EVENT ORGANIZER: In the event that CIO be cancelled by CIO, CIO will refund the exhibit booth fee(s), including deposit(s), previously paid by Exhibitor, minus any expenses already incurred by CIO. Exhibitor may choose to transfer any remaining balance of fees (after incurred expenses by ISET have been deducted from previously paid fees) to a future live or virtual event, or toward print or digital products. CIO shall be under no liability to the Exhibitor or any other person in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever, which may be brought against or suffered or incurred by the Exhibitor as the result thereof.

20. CHANGES BY THE EVENT ORGANIZER: In the event that CIO is postponed or converted to a virtual event by CIO, CIO will transfer all previously paid fees to the new event (live or virtual). Should Sponsor be unable to participate in the postponed or virtual event, previously paid fees will be transferred to a future event, or toward print or digital products. CIO shall be under no liability to the Sponsor or any other person or company in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever which may be brought against or suffered or incurred by the Sponsor as the result thereof. If the meeting remains in person, but a virtual component is added in by CIO (ie, Hybrid Event), the refund and transfer policy stated in this clause is not applicable. If the event has not been cancelled in its entirety, a fully executed agreement cannot be cancelled within 90 days of the event.

21 PAYMENT: If CIO has not received payment in full before the date of the Event, Company may be refused the opportunity to participate until its financial obligation is satisfied.

a. For any signed Contract received more than six (6) months before the date of the Event outlined herein, Company will remit payment to CIO according to the following schedule:

Payment must be received by CIO according to the payment terms stated on the Invoice. Until payment is received, CIO may, at its sole discretion, reassign any exhibit space or sponsorship outlined herein.

ii. The remaining fifty percent (50%) of the total Contract amount is due no less than six (6) months before the date of the Event as outlined herein. Payment not made in full via credit card upon signing this Contract will be invoiced. Payment must be received by CIO according to the payment terms stated on the Invoice. Exhibitor may not use CIO name, trademarks, logos, or research in its booth or in any information it provides to its clients, except to inform clients that it will be participating as an exhibitor or sponsor of the event. The use of CIO logo/name or the event logo/name by exhibitor before, during or after the event is strictly forbidden without the prior written consent of CIO.

24. DECORATION: CIO shall have full discretion in the placing, arrangement, and appearance of all items displayed by exhibitor and may require the replacing, rearrangement, or redecoration of any item or of any booth, and no liability shall attach to management for costs that may devolve upon exhibitor thereby.

Exhibitor's booth must be staffed during exhibit hall hours.

28. SPONSORSHIP/BRANDING: Sponsoring/exhibiting organizations agree not to purchase any advertising or sponsorship space, either directly or indirectly, in any media or platform within the same metropolitan area as the event, for the purpose of targeting the event's audience, without prior written consent from HMP Global. All sponsorships, promotional activities, and advertising targeting the event audience must be arranged exclusively through HMP Global. Any violation of this restriction will be considered a breach of contract and may result in immediate termination of the sponsorship agreement and forfeiture of all sponsorship fees. Furthermore, any breach of this provision will result in the loss of priority points for booth and sponsorship selections for the following year's event.

Note: Any person who attends an HMP Education organized event grants permission to HMP Education, its employees, and agents (collectively "HMP Education") to record his or her visual/audio images, including, but not limited to, photographs, digital images, voices, sound or video recordings, audio clips, accompanying written descriptions, and, without notifying such person, to use his or her name and such images for any purpose of HMP Education, including advertisements for HMP Education and its programs.
