LABOR REGULATIONS

LABOR/UNION REGULATIONS:

We have provided the following information to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review this information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Arata Expositions, Inc.

GENERAL INFORMATION:

All necessary union labor is available to the exhibitor on advance order by use of the forms provided in this kit. Union labor is also available at the Exhibitor Service Center during installation, show hours and dismantle.

INSTALLATION AND DISMANTLE LABOR:

Exhibitors have specified rights. For example, they are permitted to arrange their own manufactured products for display and related sales literature within their booth for as long as necessary.

Full-time employees of the exhibiting company may set their exhibit. If full-time company personnel are utilized to set an exhibit, they must carry positive identification, such as medical ID card or payroll stub. You may not utilize workers hired from a non-union agency or company. Any labor services that may be required beyond what your full-time employees can provide must be rendered by union labor. Your labor requirements can be ordered on the enclosed Display Labor Order Form.

FREIGHT HANDLING:

Arata Expositions, Inc. will be responsible for the loading and unloading of all trucks, trailers, common and contract carriers, as well as the handling of empty crates and the operation of handling equipment. Exhibitors may hand carry their own material from POV's (privately owned vehicles). They are not permitted to use any material handling equipment. TIPS FOR MATERIAL HANDLING

HELPFUL HINTS

1. Ship prepaid – collect shipments will not be accepted at either the warehouse or show site.
2. If you ship by way of your own truck or car, it is important to have a delivery ticket prepared indicating the piece count and weight. You are invoiced for material handling based on weight. If no information is available, the weight is estimated by the unloading crew.
3. Consolidate as many pieces as possible into one shipment to avoid being billed for several minimum shipments. To reduce material handling costs, ship all of your exhibit materials in ONE shipment. Remember, there is a 200 pound minimum charge per shipment. See the example below.
4. Please be sure to obtain and complete an AEI Bill of Lading. Bills of Lading will be made available at the AEI service center on the final show day. Please be sure to return your completed Bill of Lading and any additional outbound information before you leave the show floor.
5. Should you choose to use a carrier other than the official show carrier, please be certain to contact them with any necessary pick-up information. **AEI is not responsible for contacting outside carriers for pick-ups.**
6. **BE SURE YOUR MATERIALS ARE INSURED** from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all risk coverage. This can be done by adding exposition floaters to existing policies. Contact your insurance representative. **BE SURE YOUR LIABILITY AND PROPERTY INSURANCE IS IN EFFECT DURING TRANSIT, STORAGE AND WHILE AT CONVENTION SITE.**

MATERIAL HANDLING

LIMITS OF LIABILITY

1. **ACCEPTANCE OF TERMS:** It is understood that acceptance of the following terms and conditions will be construed when any of the following conditions are met:
 - The Exhibit Shipping Information & Material Handling Rate Schedule is signed; or
 - Exhibitor's materials are delivered to either the Arata Expositions, Inc. (hereafter referred to as "AEI") warehouse or show site for which AEI is the Official General Contractor for the event; or
 - When an order for any rental equipment and/or labor is placed by the exhibitor with AEI

2. **AEI'S RESPONSIBILITIES:** The responsibility of AEI with respect to the goods stored hereunder shall be limited to the exercise of ordinary care and diligence by its officers and employees in receiving, handling, keeping, and delivering the same. For purposes of this contract, AEI means their employees, officers, directors, agents, assigns, affiliated companies, and related entities including, but not limited to, any subcontractors AEI may appoint. AEI shall not be liable for loss or damage by natural elements, fire, heat, frost, damp, dust, moths, rust, leakage, deterioration, acts of God, vandalism, theft, civil disturbance, power failure, acts of terrorism or war, labor disputes, lockouts or work stoppages of any kind, nor for other causes beyond AEI's reasonable control.

3. **AEI LIABILITY:** It is understood that AEI and its subcontractors are not insurers. The exhibitor is responsible for obtaining the proper insurance to cover their property. AEI does not provide for full liability should loss or damage occur. AEI's liability shall be limited to the physical loss or damage to the specific article, which is lost or damaged. In any case, the liability of AEI is limited to \$.30 per pound per article, with a maximum of \$50.00 per item, and a maximum of \$1,000 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors, or from negligence, active or otherwise, by AEI, its subcontractors, or employees. This applies while these goods are in AEI's warehouse, in vehicles for delivery, or at show site. AEI shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's material which make it impossible or impractical to exhibit same.

4. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE COVERING YOUR MATERIALS AGAINST DAMAGE, LOSS, AND ALL OTHER HAZARDS FROM THE TIME SHIPMENTS ARE MADE PRIOR TO THE SHOW UNTIL SHIPMENTS ARE RECEIVED BACK AFTER THE SHOW. THIS CAN GENERALLY BE DONE BY ADDING "EXPOSITION FLOATERS" TO EXISTING INSURANCE POLICIES. IT IS UNDERSTOOD THAT AEI IS NOT AN INSURER. THAT INSURANCE, IF ANY, SHALL BE OBTAINED BY THE EXHIBITOR AND THE AMOUNTS PAYABLE BY AEI HEREUNDER ARE BASED ON THE VALUE OF THE MATERIAL HANDLING SERVICES AND THE SCOPE OF AEI LIABILITY AS SET FORTH ABOVE.**

5. **PACKAGING:** AEI shall not be responsible for damage to uncrated material, material improperly packed, concealed damage, pad wrapped or shrink-wrapped materials, glass breakage, or carpet in bags or poly. Additionally, AEI shall not be responsible for crates and packaging that are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be designed to adequately protect contents for handling by forklifts and similar means.

6. **INSURANCE CLAIMS:** The exhibitor must report the damage or loss at the AEI service desk at show site and complete our paperwork documenting the incident. Failure to complete the proper paperwork at show site will result in the claim being waived. The exhibitor must submit any written claim for loss or damage within (30) days of the close of the show on which the loss or damage occurred or the claim shall be considered waived. No suit or action shall be brought against AEI more than one year after the cause of action accrues.

MATERIAL HANDLING

LIMITS OF LIABILITY

7. **INBOUND SHIPMENTS:** After the exhibit materials are placed in the booth, AEI will not be responsible for condition, count or content. Please remember that there may be a lapse of time between the delivery of shipments to the booth and the arrival of the exhibitor or exhibitor's representative. AEI will not be responsible or liable for any loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to the exhibitor's booth at show site. We suggest exhibitors arrange for security services for their booth.
8. **EQUIPMENT REQUIRING SPECIAL EQUIPMENT:** Fourteen days advance notice must be provided to AEI by the exhibitor in order to obtain special devices to properly load, place or reload equipment requiring such care. AEI will not be liable for any damage incurred during the handling of equipment requiring special devices if this advance notice has not been received by AEI.
9. **EMPTY CONTAINER LABELS:** The exhibitor is responsible for affixing EMPTY labels (available at the AEI service desk) to containers to be stored during the show. It is understood that these labels are used for empty storage only and AEI assumes no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.
10. **CLASSIFYING SHIPMENTS:** AEI cannot be responsible for classifying shipments. After shipments are tendered to a carrier for shipment, AEI cannot be responsible for delivery time or damage or loss to property.
11. **OUTBOUND SHIPMENTS:** All shipments received at the close of the show are subject to a final count. AEI will count and ship pieces AEI finds when AEI removes the shipment from the booth to load out. All Material Handling Agreements submitted to AEI by the exhibitor will be checked at the time of pick up from the booth. Corrections will be made where any discrepancies exist between the quantities of pieces listed by the exhibitor and the actual count of such items in the booth at the time of pick up. AEI is not responsible for shipments left in booths by exhibitors. We suggest exhibitors arrange for security services for their booth. **PLEASE NOTE:** Where an exhibitor indicates choice of carrier for pickup, it is the exhibitor's responsibility to arrange with such carrier for said pickup service. In order to expedite removal of freight from the show site, AEI shall have the authority to change designated carriers, if such carriers do not pick up on time or refuse to accept shipments. Exhibits not removed from the show on removal day and on which we have no shipping information will be returned to the AEI warehouse at an additional charge to await disposition. AEI assumes no liability as a result of such rerouting or handling.
12. **PAYMENT OF SERVICES:** The exhibitor agrees, in the event of a dispute with AEI or its subcontractors relative to any loss or damage to any of the exhibitor's freight or equipment, that the exhibitor will not withhold payment in any amount due to AEI for freight handling services or any other services provided by AEI or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the exhibitor agrees to pay AEI prior to the close of the show for all such charges and further agrees that any claim the exhibitor may have against AEI or its subcontractors shall be pursued independently by the exhibitor as a complete, separate transaction to be resolved on its own merits.
13. **JURISDICTION:** This agreement shall be deemed to have been made in the State of Maryland, and that any and all performance thereunder, or breach thereof, shall be interpreted, governed and construed pursuant to the laws of the State of Maryland, and the parties to this agreement consent that the Circuit Court for Montgomery County, Maryland shall be the sole forum where any cause of action arising under, or in any way related to, this agreement may be instituted.
14. **MISCELLANEOUS:** Exhibitor, as a material part of the consideration to AEI for material handling services, waives and releases all claims against AEI, its employees, agents, officers, and directors, with respect to all matters for which AEI has disclaimed liability, pursuant to the provisions of this contract. The exhibitor acknowledges that he or she has read this agreement, understands it and agrees to be bound by its terms, and further agrees that it is the complete and exclusive agreement between the parties. The invalidity or enforceability of any provision hereof shall not affect, modify, or impair the validity and enforceability of all other provisions herein.

SPECIAL HANDLING

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading/loading, constricted space unloading/loading, designated piece unloading/loading, carpet/padding only shipments or stacked shipments. Also included are multiple shipments, alternate delivery locations, mixed loads, and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment to unload, sort, and deliver. All Federal Express, Airborne Express, DHL and UPS shipments require special handling.

SPECIAL HANDLING DEFINITIONS

Ground Unloading/Loading:

Vehicles that are not dock height, preventing the use of loading docks, such as personal owned vehicles, U-hauls, vans, flat bed trailers, double drop trailers, company vehicles with trailers that are not dock level, etc.

Stacked Shipments:

Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or “cubed out” shipments, loose items placed on top of crates and/or pallets constitute special handling.

Constricted Space Unloading/Loading:

Trailer loaded “high and tight” shipments that are not easily accessible. Freight that is loaded to full capacity of trailer – top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be by passed to reach the targeted freight.

Designated Piece Unloading/Loading:

Drivers that require the loading crew to bring multiple pieces of freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded in a sequence to ensure all items fit.

Mixed Loads:

Shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling.

Crated vs. Uncrated:

Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped, and/or unskidded without proper lifting bars and hooks.

Multiple Shipments:

Shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to a booth.

Alternate Delivery Location:

Shipments that are delivered by a carrier that requires all or partial delivery of the shipment to a different level in the same building, or to other rooms in the same venue.

Carpet /Padding Only Shipments:

Shipments that consist of carpet and/or carpet padding only require special handling because of additional labor and or equipment to unload.

Improper Paperwork / No Documentation:

Shipments that arrive from a small package carrier (including among others, Federal Express, Airborne Express, DHL, and UPS) without an individual Bill of Lading, requiring additional time, labor, and equipment to process. Shipments received without paperwork will be delivered without guarantee of piece count or condition. Shipments that arrive without machine printed documentation showing the weight of the shipment.

Improper Weight:

Shipments that come in and are re-weighed showing the documentation was incorrect will be charged the special handling rate plus a weight ticket charge.

MATERIAL HANDLING RATE CALCULATION

As stated in our Payment Policy, all invoices must be paid in advance or at the show - cash, company check, wire transfer and/or credit card. Absolutely, no credits will be issued after show closing.
