4. DISPLAY RULES AND REGULATIONS: EMS World Expo follows the IAEE Guidelines for Display Rules and Regulations: <https://www.hmpglobal.com/meetings/IAEEGuidelines.pdf>

5. EXHIBIT COORDINATOR: The Exhibitor Information Kit will provide an exhibitor contact. For identified events, the official decorating company will direct and manage all of the following services and will have a service desk in operation at the time of installation and dismantling: Exhibitor's Information Kit distribution, furnishings, labor, rent or exhibit displays, signage, material handling services, and transportation services.

6. PHOTOGRAPHY IN THE EXHIBIT HALL: The use of cameras (including but not limited to cellular phones, film, digital, video recording, and image and sound capturing) or audio recording equipment is prohibited anywhere during the conference without prior permission from EMS World Expo.

7. SUBLETTING OF SPACE: The exhibitor agrees that the display will be confined to the area of space reserved and that subletting or showing products other than those manufactured or represented by the exhibitor is strictly prohibited.

8. ARRANGEMENT OF EXHIBITS: The exhibitor agrees to manage their exhibits so as not to obstruct or interfere in any way with the general view, the view of the exhibits of other exhibitors, or the free passage of spectators. The decision of EMS World Expo as to what constitutes such obstruction or interferences will be final.

9. CARE OF SPACE: The exhibitor agrees not to deface, injure, or mar the exhibition hall of the venue, any of the furniture or fixtures contained therein, and/or any of the property of whatever nature placed therein. The exhibitor will be liable to EMS World Expo and/or the venue for any damage resulting to such exhibition hall, furniture and fixtures contained therein, and/or such property placed therein by EMS World Expo, which will occur by reason of the commission or omissions of any exhibitor and/or its agents, servants, or employees. The exhibitor will defend and hold harmless EMS World Expo from all claims and suits against EMS World Expo arising from the aforesaid commissions or omissions of the exhibitor, their agents, servants, or employees. All material used by exhibitors must conform to the requirements of the Fire Department of the city in which the venue is located.

10. INSURANCE: EMS World Expo assumes no responsibility for the safety of the personnel and property of exhibitors or the personal property of their officers, agents, servants, or employees. Any exhibitor wishing to insure their personnel or goods against injury, theft, damage by fire, accident, or other cause must do so at their own expense.

11. SECURITY: EMS World Expo and the venue are not responsible for loss of or damage to exhibitor property. Exhibitors will be required to display proper credentials to gain access to the exhibit floor.

12. LIABILITY: EMS World Expo will not be liable for any damages in the event that performance of this contract is rendered impossible for any of the following causes: destruction of the exhibit hall or any substantial portion thereof by fire, earthquake, the elements, a public enemy, strikes or other public disorder, impossibility of performance created by law or any public authority, and/or for any cause beyond its control or the control of the venue.

13. CHILDREN: Under no circumstances will children under the age of 18 be allowed in the exhibit hall during installation or dismantling. For reasons of insurance children are not permitted on the show floor. Because of limited seating capacity and the highly technical nature of the programs, children under the age of 18 are not invited to attend presentations.

14. SHIPPING INSTRUCTIONS: Please ship early and prepay all transportation charges. Collect shipments will not be accepted. All shipments should be labeled with return address. Additional shipping instructions and labels will be provided in the Exhibitor's Information Kit. All shipments should be packed securely and fully prepaid. Bills of lading should be forwarded to the drayage agent when shipment is made. Each exhibitor agrees to ship their materials at the company's own risk and expense.

15. CONDUCT OF EXHIBITS: Canvassing or distributing of promotions outside the exhibitor's own booth will not be permitted. EMS World Expo reserves the right to monitor and reduce any exhibitor sound system so that it does not interfere with the show and/or other exhibitors. Exhibitors may not serve or dispense food or beverages of any type from their booths or in the exhibit area without the consent of EMS World Expo. No part of the display, including products, is permitted outside the exhibit space. Products and furnishings should be arranged with the safety of the exhibitors and attendees in mind. Each exhibitor must make provisions for the safeguarding of their goods, materials, equipment, and display at all times, and the exhibitor will indemnify and hold the conference and the venue harmless against all such claims arising out of Exhibitor's goods, materials, equipment, and display. All of the exhibitor's property should be deemed to remain under the exhibitor's custody and control in storage, in transit to or from, or within the confines of EMS World Expo or its service contractor.

17. CANCELLATION BY EXHIBITOR: Any cancellation of or reduction in space must be communicated to EMS World Expo in writing. Cancellation of or reduction in space in no way relieves Company of its financial obligations as outlined herein. A full one hundred percent (100%) of the total Contract amount will be due for any cancellations received less than 6 months before the date of the EMS World Expo as outlined herein. Management may, at its sole discretion, reassign any cancelled space.

18. CANCELLATION BY THE EVENT ORGANIZER: In the event, that EMS World Expo be cancelled by EMS World Expo, EMS World Expo will refund the exhibit booth fee(s), including deposit(s), previously paid by Exhibitor, minus any expenses already incurred by EMS World Expo. Exhibitor may choose to transfer any remaining balance of fees (after incurred expenses by EMS World Expo have been deducted from previously paid fees) to a future live or virtual event, or toward print or digital products. EMS World Expo shall be under no liability to the Exhibitor or any other person in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever which may be brought against or suffered or incurred by the Exhibitor as the result thereof.

19. CHANGES BY THE EVENT ORGANIZER: In the event that EMS World Expo is postponed or converted to a virtual event by EMS World Expo, EMS World Expo will transfer all previously paid fees to the new event (live or virtual). Should Sponsor be unable to participate in the postponed or virtual event, previously paid fees will be transferred to a future event, or toward print or digital products. EMS World Expo shall be under no liability to the Sponsor or any other person or company in respect of any actions, proceedings, claims, demands, losses (including consequential losses), costs, or expenses whatsoever which may be brought against or suffered or incurred by the Sponsor as the result thereof. If the meeting remains in person, but a virtual component is added by EMS World Expo (i.e., making a hybrid event), the refund and transfer policy stated in this clause is not applicable. If the event has not been cancelled in its entirety, a fully executed agreement cannot be cancelled within 90 days of the event.

20. PAYMENT: Exhibit space cost and payment terms are stated on the front of this contract, and all payments are nonrefundable. In the event of total or partial cancellation (space size reduction) by Exhibitor, the Booth Fee will not be reduced or refunded; the full amount will be due. If Exhibitor fails to pay the entire Booth Fee at the times specified, or fails to comply with any of the terms and conditions or rules and regulations, Management may reassign the booth location reserved for Exhibitor and/or may resell that booth location to another party. The entire Booth Fee must be paid in full prior to move-in of the exposition. If Exhibitor cancels or breaches this agreement for any reason whatsoever, in addition to whatever rights Management may have under applicable law, any payments made by Exhibitor prior to the date of termination shall be retained by Management as liquidated damages and not as a penalty. Management and Exhibitor agree that such amounts constitute a reasonable provision for liquidated damages. Exhibitor shall also be liable for any payments required to be paid but not paid as of the date of cancellation or breach of this agreement. If the exposition is canceled or is not held for any reason whatsoever, then this agreement shall be canceled. Exhibitor's sole and exclusive remedy shall be to receive a refund of all amounts Exhibitor has actually paid on account of this contract. If for any reason beyond Management's reasonable control (e.g., an act of God, fire, labor disturbance, etc.) the exposition is materially curtailed, Exhibitor's sole and exclusive remedy shall be to receive a prorated refund of the Booth Fee.
